GOSHEN Report

The following report was submitted by one of our 2011 Goshen Campers, Edward LaClare:

Goshen Scout Camp is the best Boy Scout camp because you can get a lot of activity pins. You can canoe and swim in a lake too. When you walk into the dining hall, you hear cheers coming from a lot of people. On the first and last days of camp, they have very big camp fires. That is why I love Goshen Scout Camp!
